Translation & Conversion of E-Courses

Translation of E-Courses

What is it?

Modification of E-Course according to target audience location.

Why is it necessary?

To make courses widely acceptable.
To generate maximum ROI (Return on investment).

What needs to be translated exactly?

Language (Content)
Images
Flash files

Conversion of E-Courses

What is it?

Renovation of old E-Courses with new tools to fulfill the current market needs.

Why is it necessary?

Courses are to be made compatible across browsers and devices.

What needs to be converted exactly?

Enrichment of content is needed with visualisation and interactions.

Why to choose HexaLearn?

Our Linguists
